

NOT SURE WHAT DIVISION TO ENTER?

Tier 1 Divisions

High caliber & competition. Best suited for teams composed of predominantly Tier 1 | AAA level | HSL players.

Tier 2 Divisions

Best suited for teams that have a varying caliber and mix of players. Predominantly composed of Tier 2/3 | AA level players.

Tier 3 Divisions

Best suited for development oriented teams with little Spring Hockey game experience. Predominantly composed of Tier 3/2 | A level players

Split Tier Divisions

A "Tier 1/2" division is primarily Tier 1, but will be split into Tier 1 and Tier 2 divisions if enough teams register with a skill difference. The same applies to "Tier 2/3" divisions.

Intergrated Divisions

"Intergrated" divisions are primarily male but welcome female players and/or teams.

ADDITIONAL DETAILS & DISCLAIMER

Please Note: All teams self report and select an appropriate division based on this assessment. Due to scope limitations, the Tournament Committee cannot be responsible for evaluating the appropriateness of each teams selected division. As such, reliance is placed on the honesty and ethics of team Managers in selecting a division that is appropriate for their team(s) and will ensure fair-play for all teams involved.

Teams who are unsure of what division is appropriate for their level are advised to contact us directly at accinfo@ccgevents.com - A member of the Tournament Committee will be happy to help recommend an appropriate division for your teams level.

Team Managers and/or Coaches with concerns over the appropriateness of another team(s) registered within their division are encouraged to contact us directly at accinfo@ccgevents.com so that a member of the Tournament Committee can investigate further to ensure our fair-play mandate is upheld.
