

PLAYOFF RULES

- If a playoff game (semi-final or final) is tied following regulation play, the two teams shall play a “Sudden Death” overtime period.
- The overtime period will be 10 minutes in length, and stop time will be used
- The overtime period will be played with 5 on 5 skaters
- If no winner is determined in the overtime period, then a 3-player shootout will be used
- Penalized players may not participate in the shootout
- If no winner is determined after the first 3 shooters, then the shootout continues using the sudden death format
- No player may shoot a 2nd time until all other players have shot
