

A message from Elite Prospects:

We understand how difficult it has been to showcase your talents due to the pandemic limiting play.

For some of you, the WYC event is the first game situation you've been able to play in since the pandemic started.

Because of this, Elite Prospects is proud to provide complimentary player profile verifications for all players attending the WYC Philadelphia event.

EP Verified Profiles allow Coaches and Scouts to communicate with you about hockey career opportunities, upgrade your hockey resume with useful information both on and off the ice, and showcase your talents online.

All player profiles may be granted temporary EP Premium access, allowing the verification of your profile. Please follow these steps to gain access to your profile:

1. Visit <https://forms.gle/ZU252ndGFuAgSUEZ6>
